Dear Corporate Sponsor,

The Seventh Annual Amador County Camp Out for Cancer will be held at the Amador County Fairgrounds in Plymouth on Sept. 11 & 12, 2010. The Camp Out for Cancer is an Amador STARS event where teams gather and hike around the fairgrounds continuously to raise funds to help our local cancer patients and for cancer research. The event also includes an Illumination Ceremony to honor those who have been touched by cancer. A Survivor Celebration will recognize the strength and courage of all cancer survivors. Our event continues to grow with participants, thus our move to a larger location. We do hope you can attend the event this year.

The Amador STARS is a volunteer-driven organization, with only one paid part-time office manager. We have over 30 volunteers who take turns driving cancer patients to their treatment appointments throughout the Sacramento, and San Joaquin Valleys, and to local treatment centers. The entire board, including the Director, are also volunteers.

We know that this request comes to you during a tough economic climate. It is because of that climate that STARS has seen an increase in the need to offer free transportation and support services to our community. The STARS vans and volunteer drivers took over 600 patient trips in 2009, and supplied those in need with free wigs, caps, scarves and a grant program. We also offer several support groups to cancer patients and their families. All these services are made possible because of the generosity of our community and those like you.

As we enter our 7th year as a nonprofit organization serving our community, we hope that you will be able to continue to support STARS so that we can continue to support those patients on their cancer journey.

Please choose an appropriate sponsorship level, and return your donation and completed sponsorship form before April 30, 2010. This will ensure that you will be included in local press coverage of the event and obtain all benefits of your sponsorship. Some sponsorship levels are limited, so please return your sponsorship as early as possible. If you cannot commit by that date, we will of course accept sponsorships at any time.

Thanks for taking the time to consider our request. Together, **WE DO** make a difference in the fight against cancer in Amador County.

Sincerely,

Ginger Rolf
Volunteer Director, Amador STARS
