TO RESERVE YOUR SPOT AND FOR MORE INFORMATION

You must call before August 31 to reserve a time for September 22, but you may also try to drop in the day of the event. It takes about 15 minutes to get a mammogram....15 minutes that could save your life!

If you have health insurance, Medicare or MediCal please bring your health card. With these programs for women age 40 or over, there is no deductible, no co-payment, and therefore no cost to you. Kaiser members are not included at this time. If you do not have insurance, you are likely to qualify for a free mammogram through a program Every Woman Counts (EWC), or other programs to cover the cost. We will provide enrollment for EWC on site. Call for questions about options for women under age 40.
